General questions

Q: How does ABN AMRO ensure that online participation will be without issues?

A: The application ABN AMRO offers is relatively new, at least in the Netherlands. In other countries, such as the United States of America and the United Kingdom, hybrid and virtual-only shareholder meetings, are common. ABN AMRO offers the application through third parties that have gathered experience with organizing these hybrid and virtual shareholders meetings outside the Netherlands. But even though ABN AMRO has given its best efforts to ensure that shareholders are offered a best-in-market service, it cannot guarantee that shareholders may experience issues that are common to any first-generation innovative application.

Q: Why should I choose for online participation when I can grant a proxy voting instruction as I did before?

A: When you participate online, you will be able to take into account the deliberations at the General Meeting before you decide how to vote. If you grant a proxy voting instruction your vote has, in fact, been cast before the meeting takes place and you will only be able to change your voting instruction until Close of Registration, Thursday 22 April 2021, at 5.30pm CET.

Q: What will be done with all my personal data that I had to provide when opting for (online) participation?

A: Arcadis and ABN AMRO adhere to their privacy policies, which can be found on <https://www.arcadis.com/en/global/privacy/> and <https://www.abnamro.com/en/footer/privacy-statement.html>

Q: Are there any rules and conditions set by Arcadis that apply to the virtual General Meeting?

A: Yes, we refer to the Hybrid Meeting Policy which can be found on www.arcadis.com. When you participate online, please make sure you have read this policy.

general questions

Q: I do not have a smartphone, tablet or pc. Will I be able to attend the virtual General Meeting?

A: Unfortunately, in that case you cannot attend the General Meeting virtually. If you are registered for the meeting, you can give voting instructions in advance.

Q: My internet connection is not working properly. Will I be able to attend the virtual meeting?

A: You will need a working internet connection during the meeting. On your phone you could use a mobile signal (3G/4G), if available, or use WiFi.

Q: What are the terms of use?

A: You can find the terms of use on www.abnamro.com/evoting. If you participate online, please make sure you have read this policy.

general questions

Q: How do I know this is a safe way to vote?

A: The website of ABN AMRO has been thoroughly tested by various parties.

Q: Which device should I use to participate in the virtual Meeting?

A: You can participate with any device that has a working internet connection and successfully logged into the virtual environment via www.abnamro.com/evoting. Please make sure to have installed the latest version of your internet browser, Chrome, Firefox, Internet Explorer 11 and 10, Edge and Safari.

Q: The device that I will use for online participation has a camera: will I be visible in General Meeting to other participants or anyone else?

A: No, you will not be visible.

Q: When I participate online, will other shareholders know that?

A: No, you will be registered on the registration list of all shareholders attending the General Meeting, in accordance with the provisions of the articles of association of Arcadis. Your information will not be shared with other shareholders of Arcadis.

Q: Who can I contact if my question is not listed?

A: You can contact ABN AMRO via email corporate.broking@nl.abnamro.com or by telephone +31 (0)20 344 2000.
